Included in our notes in the PowerPoint are next steps that we agreed to take:

- **Next meeting date: March 29, 10:00 – 12:00, Community Bridges, 70 Pembroke Road, Concord**
- **Bring new participants, especially who have support or need support for employment (self-advocates)**

Next activity/homework for all

- **State team participants should click here to list all resources that would be helpful to distribute in various ways and place on one website. The resources should focus on where individuals and families can go for information, and, for schools, transition coordinators, employers, businesses and vendors to access for training and information purposes.**
- **Janet will compile the list of resources.**
- **Consider vision and mission of the Alliance and be prepared to share at next meeting.**
